TOOT YOUR HORN

For this activity you will need a toilet paper roll, a rubber band, wax paper and to print off the horn template on the following page.

Make 1/2" cuts along one of the toilet paper openings. Fan the slits out.

Cut a square of wax paper to cover the toilet paper roll (about 5"x5").

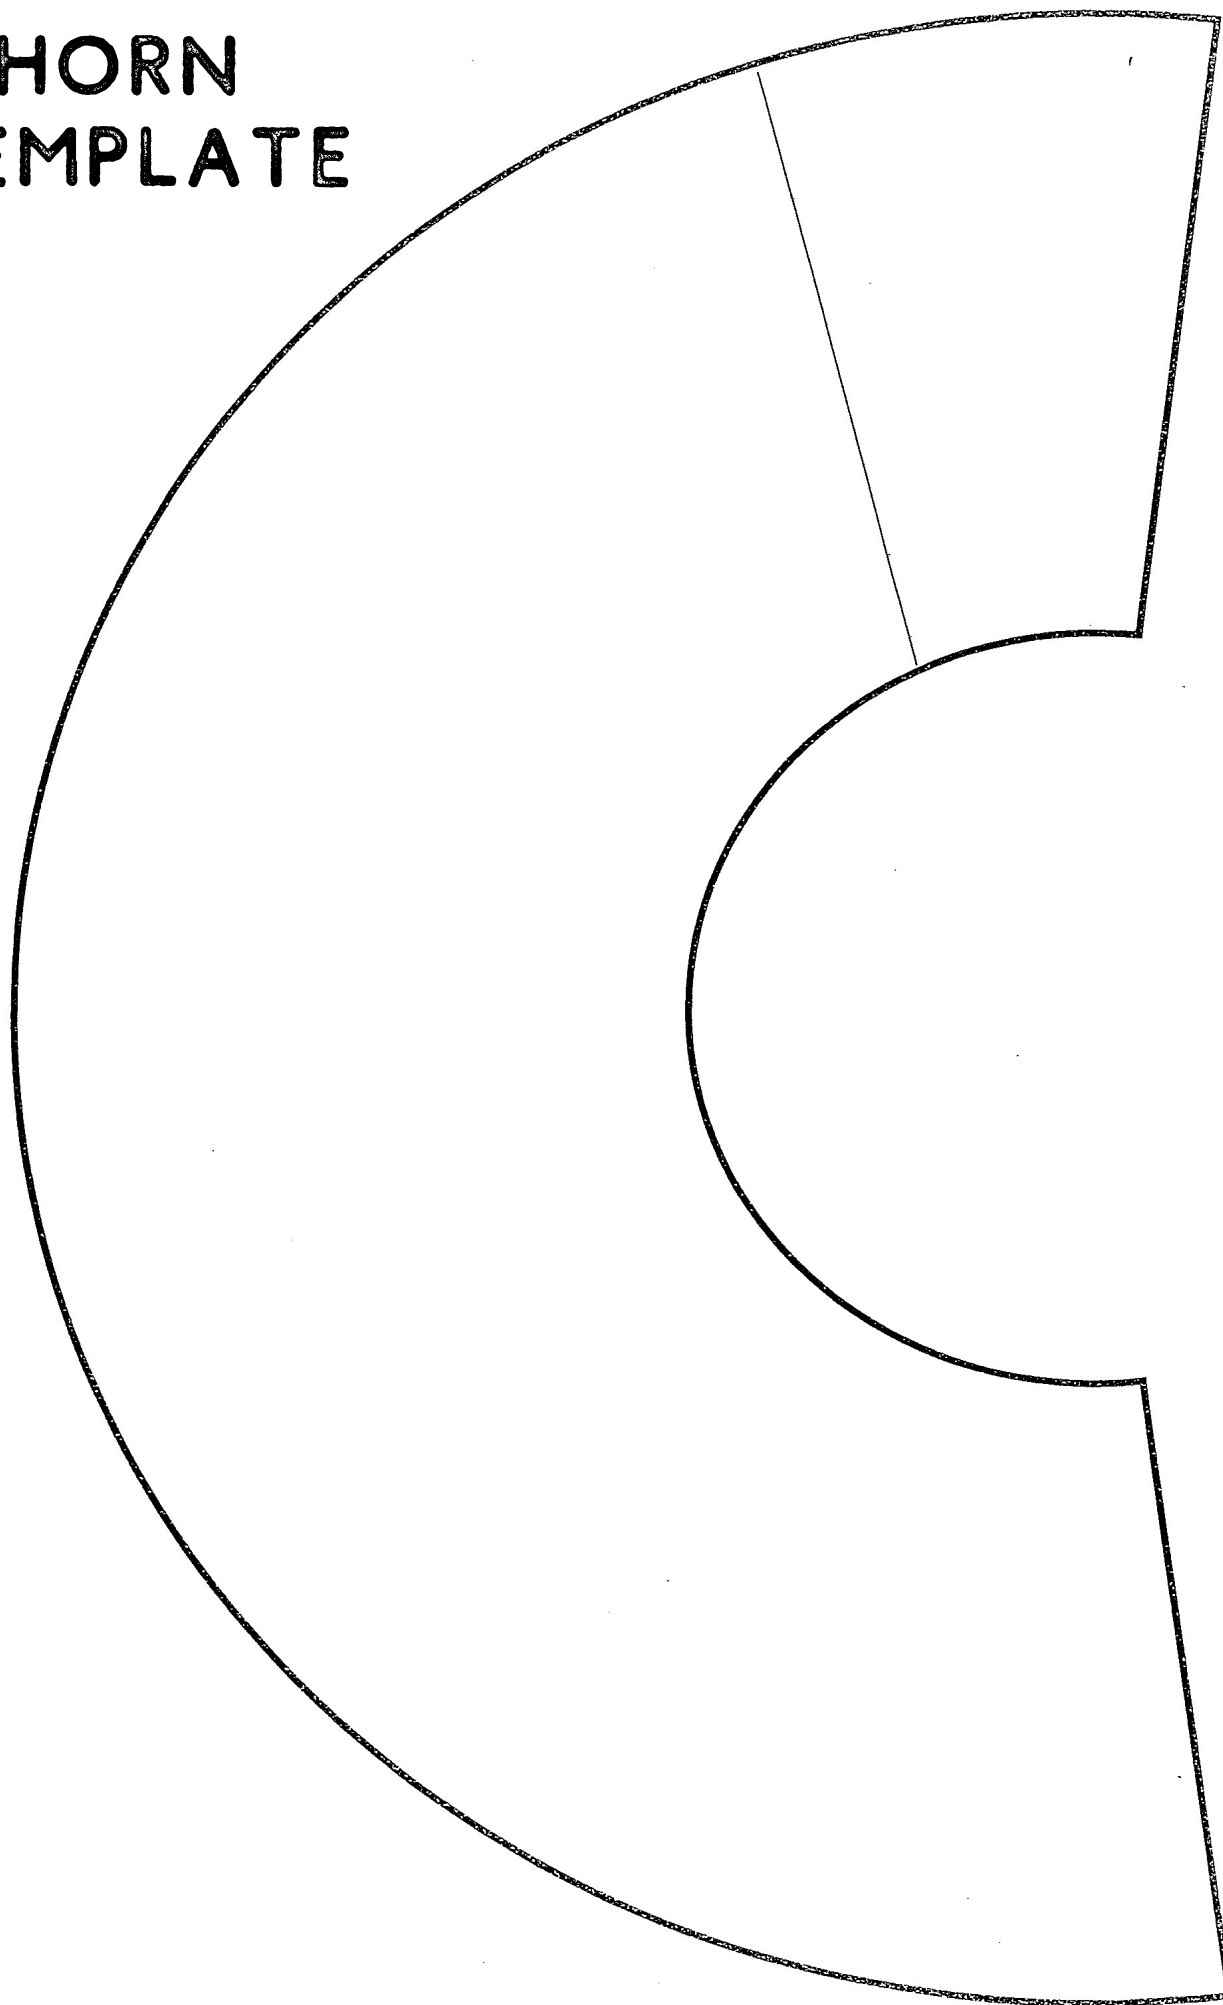

Place wax paper on top of the toilet paper roll and rubber band it in place.

Cut out and decorate the horn template.

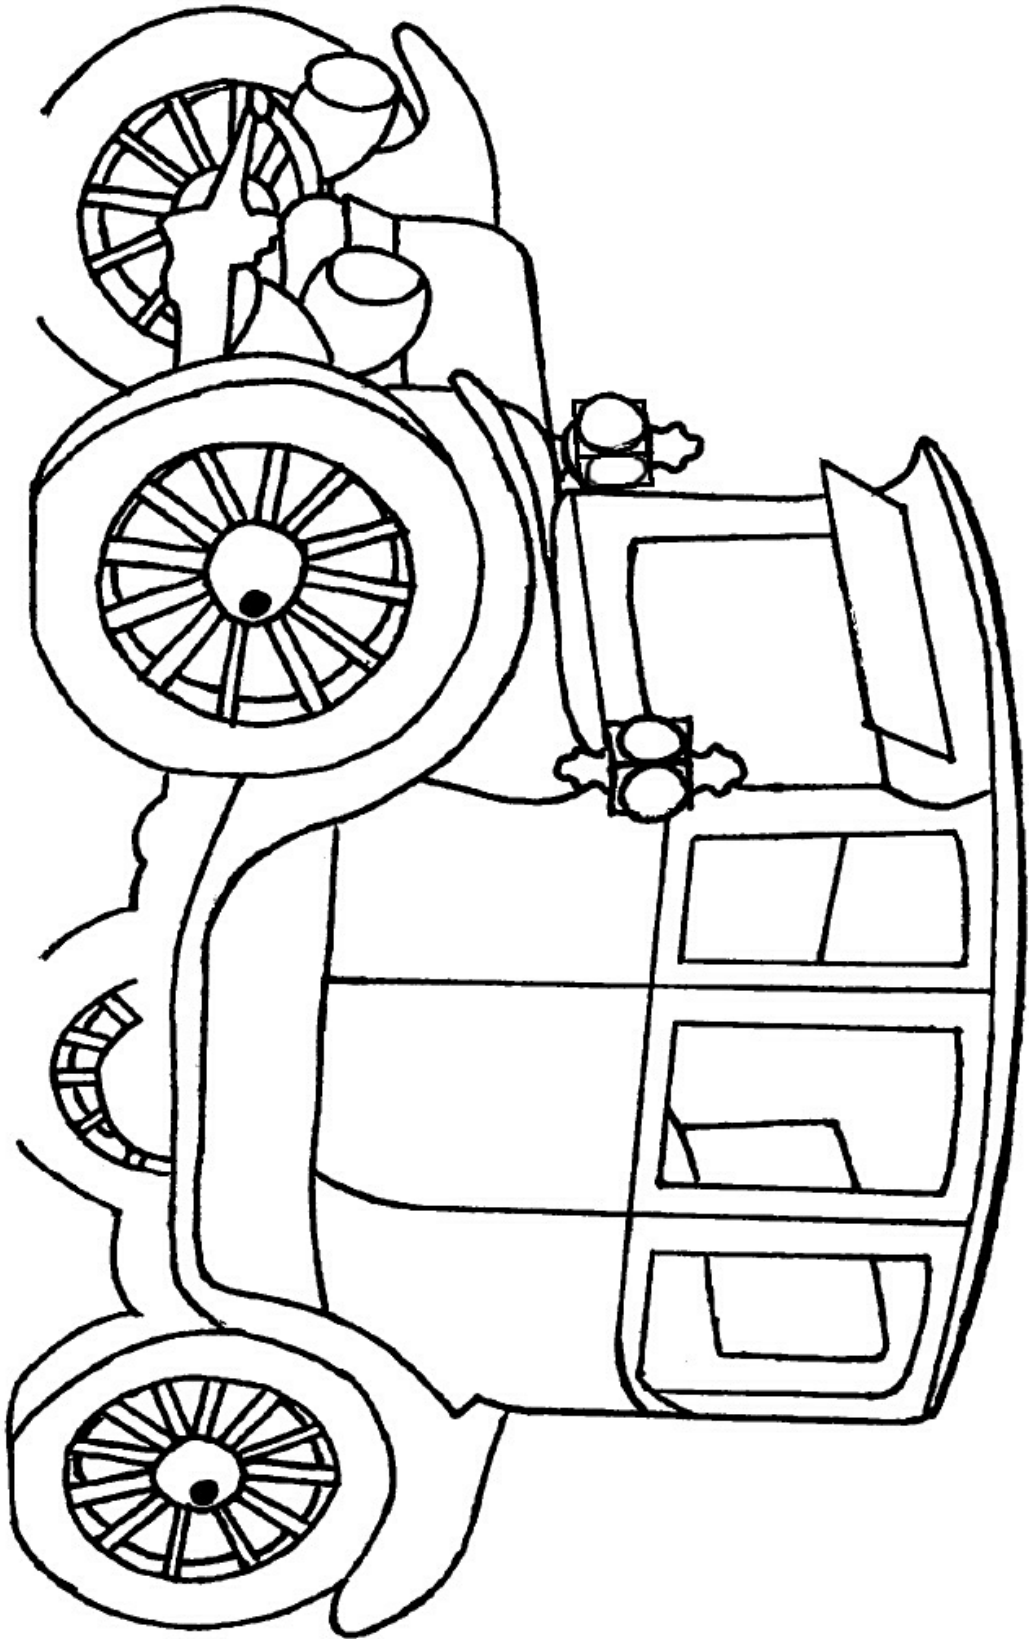

Wrap the shape around the top of the toilet paper roll and tape or glue the ends together, crossing the one end over the line on the other.

Hum or make noise in the other end of the toilet paper roll and go toot your horn!
